

January 8, 2021

Dear Families,

As you know, we have been offering both in-person and online options for our students this school year. While many districts required families to commit to one of those options for an entire semester, we have been flexible in allowing students to transition between the two because this has been new for everyone involved. We will continue to offer both in-person and online learning options for our students this school year.

If you are satisfied with your child's current online placement, they may continue in that educational setting. However, if you and your child are considering returning to in-person learning, we ask that that transition happens on January 19, 2021, which is the start of the 3rd grading period. After that date, your child's next opportunity to return to in-person learning will be March 22, 2021, which is the start of the 4th grading period.

If you would like to make this switch, please contact your child's school by the end of the school day on Wednesday, January 13, 2021.

Thank you,  
Chad Shawger  
Superintendent
